# Your Road Map to Epinephrine Autoinjector or Severe Allergy Medication Administration Record (MAR) Part 1

Ohio students must provide a completed form to the school principal and/or nurse before the student may possess and use an epinephrine autoinjector at school or at any activity, event or program sponsored by or which the student's school is a participant.

The Epinephrine Autoinjector or Severe Allergy Medication Administration Record consists of two parts and may also include other forms including an Allergy Action Plan, Emergency Action Plan, Individualized Healthcare Plan, Individualized Education Plan, 504, etc. The following guide is number/color coded for parents, school staff and prescribers.

Please do your part to ensure that children get the medication they need.

### **Guidelines for Completing Road Map**

Parent/Guardian:	School Staff:
□ Part 1: Complete <b>Section A</b> □ Part 2: Complete Sections <b>A</b> and <b>B</b> . Complete <b>Section C</b> if applicable □ Attach a recent photo of your child to form	<ul> <li>□ Review parent/guardian and prescriber sections for completeness in Columns 1-6 and Section A</li> <li>□ Keep extra blank forms available</li> </ul>

### **Prescriber:**

- ☐ Fill in the Prescriber's Order columns 1-6 (ensure that student's name and address is complete in **Section A**)
  - **Column 1:** Include medication name(s), dates and list allergens. Complete an Allergy Action Plan to accompany the MAR form so families/school can follow treatment plans and use medications correctly
  - Column 2: Provide specific indications (dosage, time) for administration of medications including PRN
  - **Column 3:** List possible severe adverse reactions
  - **Column 4:** Write any special instructions. Indicate if additional backup epinephrine autoinjector has been prescribed to be kept at school (per law)
- ☐ **Section 5:** List other home medications
- ☐ Section 6: Fill in prescriber's name and emergency contact information
